Commissioner for Patents
Washington, D.C. 20231

Sir:

The owner of 100 percent interest in the above identified patent application hereby disclaims, except as provided below, the terminal part of the term of any patent granted on the above identified patent application which would extend beyond the full statutory term, as presently shortened by any terminal disclaimer, of either U.S. Patent 6,325,540 or U.S. Patent 6,412,980, and hereby agrees that any patent so granted on the above identified patent application shall be enforceable only for and during such period that it, U.S. Patent 6,325,540, and U.S. Patent 6,412,980 are commonly owned by the same ultimate parent company (although one or more may

be assigned to a subsidiary owned by the ultimate parent company). See Manual of Patent Examining Procedure, § 1490 (citing to MPEP § 706.02(I)(2) for "examples of common ownership"). The present application and U.S. Patent No. 6,325,540 are owned by General Electric Company, and U.S. Patent No. 6,412,980 is owned by GE Medical Systems Global Technology Company, LLC, which is 100% owned by General Electric Company. This agreement runs with any patent granted on the above identified patent application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the above identified application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and 173 of either U.S. Patent 6,325,540 or U.S. Patent 6,412,980, in the event that either such patent: (a) expires for failure to pay a maintenance fee, (b) is held unenforceable, (c) is found invalid by a court of competent jurisdiction, (d) is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, (e) has all claims cancelled by a reexamination certificate, (f) is reissued, or (g) is in any manner terminated prior to the expiration of its full statutory term.

The terminal disclaimer fee under 37 CFR § 1.20(d) is included.

The undersigned is an Attorney of Record.

Respectfully submitted,
